

## EPE-PEMC 2010 in Ohrid (Republic of Macedonia)

### 14<sup>th</sup> International Power Electronics and Motion Control Conference

September 6-8, 2010

A number of Special Sessions will be organized at EPE-PEMC 2010 in Ohrid, Macedonia:

1. Sensorless Control of PM Synchronous Motors at Low Speed and Standstill
2. Real Time Simulations for Power Electronics and Machines Control
3. PM Linear Drives and Actuators
4. Numerical Methods in Power Electronics and Electrical Engineering
5. E-learning and Modern Education Methods in Education of Power Electronics and Motion Control
6. Power Electronics and Energy Storage for e-Mobility
7. Power Distribution and Energy Management Systems: Smart Solution and Methods
8. Leading-Edge Trend of Railways – Eco-Friendliness and Standardization
9. Distributed Generation Systems: Architectures, Topologies and Control
10. Smart Drives
11. Electrical Motor Drives for Electro Mobility
12. Distribution Systems and Green Energy 1
13. Distribution Systems and Green Energy 2
14. Wind Energy Conversion Systems 1
15. Wind Energy Conversion Systems 2
16. Wireless Power Transmission

Numerous technical sessions for lecture and dialogue presentation have been selected as well:

1. Semiconductor Devices and Packaging
2. Power Converters
3. Control of Power Converters
4. Electrical Machines and Actuators
5. Motion Control, Robotics, Adjustable Speed Drives
6. Application and Design of Power Electronic Systems
7. Measurements, Sensors and Observing Techniques
8. Electromagnetic Compatibility
9. Power Electronics in Transportation
10. Mechatronic Systems
11. Power Electronics in Electrical Energy Generation, Transmission and Distribution
12. Renewable Energy Sources
13. Active Filtering and Unity Power Factor Correction Circuits
14. Education
15. Related Topics

#### How to get to Ohrid and the Metropol Lake Resort

The Conference will be held at Metropol Lake Resort in Ohrid, Macedonia. Metropol Lake Resort is located 14 km from Ohrid airport and approximately 190 km from Skopje airport. Shuttle service will be organised during the Conference from both airports to the Conference venue.

By plane: There are several European airlines that fly frequently to Skopje on daily bases and once or twice a week to Ohrid during the summer. Aeroplanes arrive and depart from Skopje Airport to the following European cities: Belgrade, Zagreb, Ljubljana, Sarajevo, Vienna, Budapest, Prague, Istanbul, Zurich, Düsseldorf, Brussels, Podgorica and from Ohrid Airport to Amsterdam,

Vienna, Zurich, Düsseldorf, Ljubljana. There is no public transportation from the airports to both Ohrid and Skopje. The distance from the airport to the city of Skopje is about 25 km. You can take a taxi from both airports to the cities and the price is approximately 1 Euro per 1km. From the Skopje airport to the city of Skopje we recommend to take the Nashe taxi. You can call them by phone at the following numbers: + 389 (0)70 415 152 or + 389 (0)800 15 152. The taxis that are waiting at the airport can be more expensive. The distance from the airport to the city of Ohrid is about 10 km and about 16 km to the Metropol Lake Resort.

By car: Drive from Skopje to Ohrid on the E65 or M4 road. Once you reach Ohrid take the road to St. Naum Monastery (Sv. Naum).

By bus: There are several buses per day going from Skopje Bus Station to Ohrid Bus Station. From the Ohrid Bus Station you can either take a taxi or take a local bus that is going to Sv. Naum or Pestani.
